

## SENATEPARTY

**Scope:** These rules shall apply to this contract.

**Underlying:** The Underlying for this Contract is the political party of the person elected to the <Senate seat> for the term starting in <year>. Revisions to the Underlying made after Expiration will not be accounted for in determining the Expiration Value.

**Source Agency:** The Source Agency is the United States Congress.

**Type:** The type of Contract is an Event Contract.

**Issuance:** The Contract will be issued in conjunction with the election cycles for Senate seats.

**<Senate seat>:** <Senate seat> refers to a specific seat of the U.S. Senate. Each designation will include the Class and State of the seat, e.g. the Class III Senate seat of Alabama.

**<political party>:** Kalshi may list iterations of the Contract with <political party> values that refer to an American political party. Kalshi will initially list iterations of the Contract with "The Democratic Party" and "The Republican Party" as <political party> values. "Independent" may also be a value of <political party>; if the value of <political party> is "Independent", then the individual in question will be specified (e.g. Bernie Sanders in Vermont). If the individual announces they have changed party between the election and being sworn in, the market will resolve based on the party they were a part of on election day.

**<year>:** Kalshi may list iterations of the Contract with <year> values that refer to the start of a Senatorial term, e.g. 2025.

**Payout Criterion:** The Payout Criterion for the Contract encompasses the Expiration Values that the first candidate who presents a certificate of election for <Senate seat> to the U.S. Senate and who is sworn into the U.S. Senate for the term beginning in <year> is a member of <political party>. If a vacancy occurs in the seat following the election (e.g. a Senator-elect resigns the seat prior to their seating), the party of the person first sworn in as their temporary, or permanent, replacement in that seat will be encompassed within the Payout Criterion.

**Minimum Tick:** The Minimum Tick size for the referred Contract shall be \$0.01.

**Position Limit:** The Position Limit for the \$1 referred Contract shall be as follows:

- The Position Limit for Individuals and Entities shall be \$3,000,000 per strike, per Member
- The Position Limit for Eligible Contract Participants ("ECP") shall be \$50,000,000 per strike, per Member

**Last Trading Date:** The Last Trading Date of the Contract will be the same as the Expiration Date. The Last Trading Time will be the same as the Expiration Time.

**Settlement Date:** The Settlement Date of the Contract shall be no later than the day after the Expiration Date, unless the Market Outcome is under review pursuant to Rule 7.1.

**Expiration Date:** The Expiration Date of the Contract shall be the sooner of the date of the first 10:00 AM ET following the swearing in of the Senator for <Senate seat> or a year after the popular vote for the Senate seat in <election year>.

For United States based elections, this Contract may be resolved on an accelerated basis if (A) at least four (4) of the eight (8) Designated Media Sources have declared a winning candidate, party, or option, and (B) none of the Designated Media Sources have issued a contradictory declaration. "Designated Media Sources" are: The New York Times (NYT), The Associated Press (AP), Decision Desk HQ (DDHQ), CNN, Fox News, NBC News, CBS News, and ABC News. Should one of the Designated Media Sources cease to provide independent election calls, it may be replaced at the sole discretion of the Exchange. For the purposes of this clause, a source declares a winning candidate, party, or option when it makes either (i) a formal projection of victory by its centralized decision desk, or (ii) an unambiguous statement in a news article that the candidate/party/option has won. For the network sources (Fox, NBC, CBS, ABC), a declaration from a local affiliate may represent the parent network; however, a declaration from the national desk shall always supersede any affiliate's call. In all instances, a parent network and all of its affiliates shall collectively constitute a single source for the purpose of this clause. This condition is met once a period of forty-eight (48) consecutive hours has passed (to address short-term retractions) following such declarations without a retraction from any of the declaring sources.

**Expiration time:** The Expiration time of the Contract shall be 10:00 AM ET.

**Settlement Value:** The Settlement Value for this Contract is \$1.00.

**Expiration Value:** The Expiration Value is the value of the Underlying as documented by the Source Agency on the Expiration Date at the Expiration time.

**Contingencies:** Before Settlement, Kalshi may, at its sole discretion, initiate the Market Outcome Review Process pursuant to Rule 6.3(c) of the Rulebook.
