RULE 2.8 EMERGENCY RULES

- (a) Kalshi may adopt emergency Rules in response to the emergencies that are described in paragraph (c) of this Rule. In the event of one of those emergencies, the Board or at least two members of the management team may, without giving prior notice to, or securing prior approval from the Commission, adopt a temporary emergency rule to address the emergency. Adoption of a temporary emergency rule requires the CEO's approval. Adoption of a temporary emergency rule by the

management team requires the written authorization and acknowledgement of two members of the management team, indicating the emergency action to be taken and the reasons for that action, before the action is taken.

- (b) Any temporary emergency rule adopted under this Rule may authorize Kalshi to act as the Board or management team deems necessary or appropriate to meet the emergency, and those actions may adversely affect the ability to trade on the Platform. Therefore, the chance of an emergency is one of the risks that Participants should consider when deciding whether to trade on the Platform.
- (c) For the purposes of this Rule, an “emergency” is:
 - a. Any activity that manipulates or attempts to manipulate a Contract on the Platform;
 - b. Any circumstance that may materially affect the performance of the Contracts traded on Kalshi;
 - c. Any action taken by the United States, any foreign government, any state or local governmental body, any other contract market or board of trade, or any other exchange, market, facility, or trade association (foreign or domestic) that may have a direct impact on trading on Kalshi;
 - d. Any circumstances that may have a severe, adverse impact upon the physical functions of Kalshi including, for example, natural disasters such as fire or flood, terrorist acts such as bomb threats, physical plant breakdowns such as plumbing, heating, or air conditioning problems, system breakdowns such as power, telephony, cable, trading systems, or computer systems failures or interruptions to communications, the network, or the Internet;
 - e. The imposition of any injunction or other restraint by any government agency, court, or arbitrator that may affect the ability of a Trader to perform on Contracts;
 - f. Any circumstance in which it appears that a Participant or any other person is in such operational condition, or is conducting business in such a manner, that such person cannot be permitted to continue in business without jeopardizing the safety of Participants or Kalshi itself; and
 - g. Any other unusual, unforeseeable, and adverse circumstance which, in the opinion of the governing board, requires immediate action and threatens or may threaten such things as the fair and orderly trading in, or the liquidation of or delivery pursuant to Contracts traded on Kalshi.
- (d) If deemed necessary to combat perceived market threats caused by an emergency, a Kalshi official authorized to do so may suspend trading on the Platform during the duration of the emergency or take any other action that the official thinks is necessary or appropriate. The official will order an end to the action taken in response to the emergency as soon as the official determines that the emergency has sufficiently abated to permit the Platform to function properly. Reasonable actions resulting under this Rule include but are not limited to:

- a. Modification to limits on positions;
 - b. Reduction of positions and exposure by participating Traders to certain Contracts;
 - c. Cancellation of a Contract and the return of any funds paid to enter Trades on the Contract;
 - d. Extension/shortening of expiration and/or closing date;
 - e. Suspension and curtailing of trading; and
 - f. Changing a Contract's terms and conditions and/or specifications.
- (e) Kalshi will make every effort practicable to notify the Director of the Division of Market Oversight, his delegates, and/or other persons designated by the Commission's Regulations that Kalshi intends to implement, modify, or terminate a temporary emergency rule pursuant to Rule 2.4(a) or an action in response to an emergency pursuant to Rule 2.4(d) prior to the implementation, modification, or termination of the rule or action. If it is not possible to notify the Commission prior to the implementation, modification, or termination of the rule or action, Kalshi will notify the Commission of the implementation, modification, or termination of the rule or action at the earliest possible time, and in no event more than 24 hours after implementation, modification, or termination.
- (f) Any time that Kalshi takes action in response to an emergency, either under Rule 2.4(a) or Rule 2.4(d), Kalshi shall publish a notice of such action on its website, notify Members through the API, and notify Members via email. Kalshi will likewise document its decision-making process and reasons for taking emergency action.

RULE 2.9 VOTING BY INTERESTED BOARD MEMBERS

Core Principle 16 of Section 5(d) of the Commodity Exchange Act ("CEA") requires that contract markets have adequate procedures to prevent conflicts of interest. In this regard, Kalshi has adopted provisions of Commission Regulation 1.69 as Rules provided herein. Commission Regulation 1.69 prohibits a member of the Board or any disciplinary or oversight committee or subcommittee from taking part in any deliberations or voting on any matter in which the board, committee, or subcommittee member has an interest or has a relationship with a named party in interest. Regulation 1.69 also requires disclosure by Board, committee, or subcommittee members of interests and relationships in certain circumstances. Consequently, Board, committee, and subcommittee members shall not deliberate or vote on any matter in which the Board, committee, or subcommittee member has an interest or has a relationship with a named party in interest and shall disclose such interests in accordance with Regulation 1.69.

RULE 2.10 INDEMNIFICATION OF DIRECTORS, OFFICERS, AND OTHERS

- (a) Kalshi will indemnify, to the full extent authorized by law, any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative in nature, by reason of the fact that such

person is or was a director, officer, employee, or agent of Kalshi or is or was serving at the request of Kalshi as a director, officer, employee, or agent of Kalshi against expenses, including attorneys' fees, judgments, fines, and amounts paid in connection with such action, suit, or proceeding.

- (b) Indemnification shall not be deemed exclusive of any other rights to which a person may be entitled under any agreement or as a matter of law or otherwise.
- (c) Kalshi may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of Kalshi against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not Kalshi would have the power to indemnify such person against such liability under the provisions of this Rule.
- (d) Notwithstanding the above, no person shall be indemnified from liability for fraud, bad faith, willful misconduct, or gross negligence. Further, no person shall be indemnified against a civil penalty imposed by the Commission under Section 6b of the CEA.

RULE 2.11 PROHIBITION ON USE OF MATERIAL, NON-PUBLIC INFORMATION

- (a) Commission Regulation 1.59 prohibits employees and members of the Board from using or disclosing material, nonpublic information gained through their employment or board service in certain circumstances. This Rule prohibits the use and disclosure forbidden by Commission Regulation 1.59. In this regard, Kalshi has adopted provisions of Regulation 1.59 as a Rule of Kalshi in Chapter 11 of these Rules.
- (b) No member of the Board or any committee established by the Board or these Rules will use or disclose material, nonpublic information obtained as a result of participation on the Board or such committee for any purpose other than the performance of official duties as a board or committee member.

- (e) No Participant who inadvertently or otherwise comes into possession of any material, non-public information held by Kalshi or any employee, consultant, or member of the Board or any committee of Kalshi gained through their employment by or service to Kalshi will disclose to anyone such material, non-public information or trade for such person's account, or for or on behalf of any other account, in any commodity interest on the basis of such material, nonpublic information.
- (f) For purposes of this Rule, the terms "material information," "nonpublic information," "linked exchange", "commodity interest," and "related commodity interest" have the same meanings as they do in Commission Regulation 1.59.
- (g) Any director, officer, or employee of Kalshi who violates any provision of this Rule will be required to indemnify Kalshi for any losses, damages, or costs caused by that violation.

RULE 2.12 LIMITATION ON TRADING BY AFFILIATES

- (a) The Affiliate is a Member of the Platform.
- (b) The Company has ensured the Affiliate does not have access to the Company's material non-public information, and the Company ensures the Affiliate's access to information is limited to public information available to all Members. (The provision of information to common directors of the Company, any affiliate or the holding company shall not constitute a violation of this proscription.) The Affiliate's trading activity includes aggressing and/or passive trading. The Affiliate's business purpose is profitability, and liquidity provision is a significant part of its business model. The Affiliate's capitalization derives from the holding company that owns the Company and Entity, and one or more employees of the Company serve on the board of directors of the Company, the Affiliate, and the holding company that owns both.
- b. The Affiliate has no obligation to trade all or even any contracts at any time, and other Participants should not rely on the potential presence of the Affiliate to make markets or otherwise augment or provide liquidity in any contract.

If additional affiliates of the Company commence trading on the Platform, or if the information about the trading activities of the Affiliate changes materially, the Company has put in place necessary controls to ensure that it updates this Rulebook and notifies the marketplace promptly to disclose any affiliate's purpose in trading on the Platform, and provides a summary of the procedures in place to manage and disclose actual or potential conflicts of interest and effects on trading to ensure market integrity and fairness are preserved.

- (b) FCM Members may not allow their FCM Customers to enter orders or otherwise engage in any Kalshi trading activity as an FCM Customer of that FCM Member unless such FCM Member has obtained certification from the FCM Customers that the FCM Customers have received, read, understood, and accepted these Rules and the Source Agency Prohibition.
- (c) IBs may not allow their IB Customers to enter orders or otherwise engage in any Kalshi trading activity as an IB Customer of that IB unless such IB has obtained certification from the IB Customers that the IB Customers have received, read, understood, and accepted these Rules and the Source Agency Prohibition.

RULE 5.2 SELF-CLEARING MEMBER ACCESS TO KALSHI

- (a) During the Kalshi Self-Clearing Member application process, an applicant to become a Self-Clearing Member will be required to choose a unique user identification ("ID") and password. The applicant will be required to enter the ID and password to log onto and access secure portions of the Kalshi website. Each time the applicant submits its ID and password to Kalshi in order to log onto Kalshi, the applicant affirms that it understands and agrees to be bound by these Rules and other policies of Kalshi, as amended.
- (b) After a Self-Clearing Member Application has been approved by Kalshi, the applicant shall be notified of its designation as a Member. As a Self-Clearing Member, such Person will be able to access the Platform, execute Trades, and otherwise access information regarding, or perform functions in, such a Person's account using its ID and password.

- (c) For account security and audit trail purposes, each Self-Clearing Member agrees that Kalshi may maintain logs of its IP address used to access the Kalshi website.
- (d) Each Self-Clearing Member will be responsible for protecting its ID and password from improper disclosure. In addition, a Self-Clearing Member may not knowingly or negligently permit any Person not authorized by Kalshi and by the Self-Clearing Member to use the ID and password to access the secure portion of the Kalshi website. Each Self-Clearing Member is required to immediately notify Kalshi if it knows, or has reason to believe, that its ID or password have been disclosed to any Person not authorized by Kalshi and the Self-Clearing Member to use such ID and/or password.
- (e) Each Self-Clearing Member will be liable for all costs and any losses that it may incur from Transactions executed on the Platform by any Person, authorized or not, using its ID and password. Kalshi will not be responsible in any way for unauthorized Transactions in a Member Account.
- (f) Each Self-Clearing Member is responsible for contracting with an Internet service provider through which it will access the Kalshi website and for having a backup service provider if the Self-Clearing Member thinks it is necessary. Each Self-Clearing Member is also responsible for maintaining an Internet connection speed adequate for its needs. Kalshi will not be responsible in any way for any orders delayed or trades missed or not executed in a timely fashion because of failure of the Self-Clearing Member's Internet service provider or slowness of its Internet connection speed. No communication from a Self-Clearing Member will be deemed to have been received by Kalshi until that communication is logged by the Kalshi server.
- (g) Kalshi in its discretion may place a Self-Clearing Member Account on hold (prohibiting any order activity) or on hold-liquidation only (allowing only orders to liquidate existing positions). In such circumstances, Kalshi will promptly notify the affected Self-Clearing Member of the nature of and reason for the action.

RULE 5.3 TRADING CONTRACTS

- (a) Members trade Contracts by entering Orders through Kalshi's secured channels. After logging into the secure portion of the Kalshi website, the Member will input its Orders into the Platform.
- (b) Orders may result from using Kalshi's pre-execution communications system.
 - a. A Member (referred to for the purpose of this Rule as the "Requester") may use Kalshi's pre-execution communications system to create a two-sided Request for Quote ("RFQ") message to express interest in a market. This message must contain the following information, which is public to all other Members:
 - i. The market in which the Requester desires a quote;

- ii. The size of quote desired by the Requester, measured in number of contracts or in total cost; and
 - iii. A unique ID code, pseudonymously identifying the Requester. This code will remain consistent for a single Member across different RFQs (e.g., MEMBER-A9BCD), but contains no information that would reveal the identity of the Member. Members may opt to hide this ID code until order execution in step (d) below.
- b. Any other Member (referred to for the purpose of this Rule as the “Quoter”) may choose to respond to the RFQ with a structured response (“Quote”). This Quote must be for the same size as the RFQ, contain the price that the Quoter is willing to offer to buy and the price that the Quoter is willing to sell the contract, and contain a unique ID code, as described in the paragraph above, that identifies the Quoter. This Quote is private and visible only to the Requester. For a Fully Collateralized Contract, a Quoter may only respond with a Quote that the Quoter has sufficient collateral to match at the specified price and quantity and full execution would not result in any position limit violations.
- c. A Requester may choose to accept one side of a Quote, provided that (i) in the case of a Fully Collateralized Contract, the Requester has sufficient collateral to match at the specified price and quantity and (ii) full execution would not result in any position limit violations. A Requestor may either accept the Quote for its full size, or accept some number of contracts in the quote less than the full size. Upon acceptance, a message specifying the accepted side of the Quote and the number of contracts accepted will be sent back to the Quoter, who will have 30 seconds to confirm that the Quoter wishes to proceed. If the Quote is not confirmed by the Quoter within these 30 seconds, the Quote will be treated as void. In the event that multiple Quotes are sent in response to the RFQ, the Requester will only be able to accept the Quote with the best price. Quotes may also be rejected by the Requester.
- d. Upon the Quote’s confirmation by the Quoter, the Platform will automatically begin a 15 second timer. At the end of this timer, the Platform will sequentially enter orders into the order book for the Quoter and Requester according to the direction, size, and price of the confirmed Quote. These orders will have time priority in the order book as though they were placed manually at the end of the timer (they will execute at a lower time priority than all existing resting orders). Once the Quote is confirmed and the 15 second timer begins, neither party can opt-out of this process. During this 15 second period, no public indication is given of the incoming orders, and the timer is visible only to the Quoter and Requester.
- e. Each of these orders behaves identically to a standard order in the order book at the price specified in the Quote. Each order will be evaluated against the best prices in the order book.

- i. If the Quote price improves the best bid and the best offer in the order book or if there is no other bid or offer, the Quoter's order will match in its entirety against the entirety of the Requester's order.
 - ii. If the Quote price improves the best bid but there is a better, or equal, offer or offers resting in the order book, the buy side order will be executed first against such better, or equal, offer or offers and then subsequently against the sell side order produced by the Quote, if any residual quantity on the buy side remains.
 - iii. Similarly if the Quote improves the best offer but there is a better, or equal, bid or bids resting in the order book, the sell side order will be executed first against such better, or equal, bid or bids and then subsequently against the buy side order produced by the Quote, if any residual quantity on the sell side remains.
 - f. A party to pre-execution communications shall not disclose the details of such communications to any Person who is not a party to the communications.
 - g. A party to private pre-execution communications shall not enter, modify, or cancel orders on any market to take advantage of information conveyed during such communications, except in accordance with this Rule.
 - h. Members may only create a Quote and/or a RFQ for the purpose of executing bona fide Transactions.
 - i. The Exchange may identify certain markets to be High Volatility Markets ("HVM"). In a HVM, upon Quote acceptance, a Quoter will have only 1 second (or another period of time as set forth in the Kalshi Platform) to confirm that they wish to proceed (rather than the usual 30). After a Quote is confirmed in a HVM, a 1 second timer begins before order execution (rather than the usual 15). The Exchange will indicate if a market is considered to be a HVM through its website and via the API.
 - j. A Member may choose to make public their willingness to provide Quotes in a market. If a Member chooses to do so, the Exchange will add the Member's unique ID code to a list of "available Quoters" on that market. This list will be published by the Exchange on its website and via the API.
- (c) When a Self-Clearing Order is matched by an Order from another Trader:
- a. If the Self-Clearing Member's Order is to enter into one or more Fully Collateralized Contracts for which it does not have an offsetting position in its account, Kalshi will check the Self-Clearing Member's Self-Clearing Member Account to ensure it has enough funds to cover its maximum loss under the Contract(s) it is attempting to enter into. If the Self-Clearing Member does not have the necessary funds in its Self-Clearing Clearing Member Account, Kalshi will cancel its Order prior to trade execution. If the Self-Clearing Member does have the necessary funds in its Self-Clearing Clearing Member Account, Kalshi will execute the trade. Upon trade execution, Kalshi will cause and/or instruct Clearing House to:
 - 1. Debit the funds from the Self-Clearing Member's Member Account in an amount necessary to cover the maximum loss;

2. Credit those funds towards the appropriate settlement account;
 3. Place the Fully Collateralized Contracts that were the subject of the Order into the Self-Clearing Member's Member Account; and
 4. Notify the Self-Clearing Member by electronic mail that the Trade has been executed.
- b. If the Transaction involves entering into one or more Contracts for which a Self-Clearing Member has an offsetting position in its account, upon execution of the Trade Kalshi will cause and/or instruct Clearing House to:
1. Close the offsetting position in the Self-Clearing Member Account;
 2. Debit the settlement account in the amount of any gains realized by the offsetting Transaction and any funds that were debited from the Self-Clearing Member Account at the time the Contract(s) that is being closed was entered into and that were not also used to pay any losses on such Contract(s);
 3. Credit those amounts to the Self-Clearing Member Account; and
 4. Notify the Member by electronic mail that the Trade has been executed.
- (d) If a Self-Clearing Member's Order is placed on the Platform and not immediately matched by an Order from another Trader, unless otherwise specified it will rest on the Platform until it is matched and executed in accordance with the procedures outlined above in this Rule, until the Self-Clearing Member cancels it, or until it is canceled by Kalshi or Clearing House upon the Expiration of the Contract or otherwise in accordance with these Rules.
- (e) Eligible Members may execute block trades under the below conditions:
- a. Kalshi shall designate products in which block trades shall be permitted and determine the minimum quantity thresholds for such transactions. A list of products eligible for Block trades shall be posted on the Kalshi website.
 - b. Block trades must be for at least a quantity that meets the applicable minimum size threshold. Orders may not be aggregated in order to achieve the minimum size, unless aggregated by a party listed below in (h).
 - c. Each party to a block trade must be an Eligible Contract Participant, as defined in the Commodity Exchange Act.
 - d. Block trades shall not be executed on behalf of a customer unless that customer has directed the order to be executed as a block trade.
 - e. The execution price of a block trade must be fair and reasonable given (i) its size, (ii) available market data in associated markets (including price, time, size, and volatility), (iii) the circumstances of the markets, (iv) and the circumstances of the parties to the block trade.
 - f. Block trades shall not set off any conditional orders on the central limit orderbook, or otherwise affect orders in the regular market.
 - g. Unless otherwise agreed to by the counterparties to the block trade, the seller or broker (as applicable) must report each block trade to Kalshi within the time period and in the manner specified by Kalshi. The report must include the contract, price, quantity of the transaction,

the respective clearing members, and the time of execution. Kalshi shall publish such information in a manner distinguished from the reports of transactions in the regular market. Block trades must be reported to the Clearing House in accordance with an approved reporting method. Members involved in the execution of block trades must maintain a record of the transaction.

- h. Members may be eligible to execute block trades if they are (i) a commodity trading advisor ("CTA") registered or exempt from registration under the Act; or (ii) a foreign person subject to foreign regulation performing a similar role or function to a CTA or investment advisor, provided that such person or advisor has total assets under management exceeding \$25 million and the block trade is suitable for their customers.

RULE 5.4 SELF-CLEARING MEMBER ORDER AND CANCELLATION

(a) Entry:

- a. A Self-Clearing Member will enter Orders to trade Contracts by electronic transmission over the Internet. Order rate limiter functionality will cap the maximum number of orders that may be submitted to the Exchange per second (or per a specific time period expressed in seconds) per Self-Clearing Member in order to prevent a risk of harm to the Company.
- b. A Self-Clearing Member will enter an Order to trade one or more Contracts by indicating to Kalshi in the manner required by Kalshi:
 - 1. Order direction (e.g., for a Binary Contract, buy/yes or sell/no, or for a Scalar Contract, buy/long or sell/short);
 - 2. Price at which the Self-Clearing Member wants to buy or sell the Contract; and
 - 3. Number of Contracts the Self-Clearing Member wants to buy or sell.
- c. In order to enter an Order to trade one or more Contracts, a Self-Clearing Member will be required to submit the Order to Kalshi. Once the Order is accepted by Kalshi, Kalshi will assign to the Order an Order ID. This ID will appear next to the associated Order on the Self-Clearing Member's Order Ticket and Order History account pages. The Self-Clearing Member will be responsible for any and all Order entries confirmed for its account and accepted by Kalshi.
- d. Any Self-Clearing Member submitting Orders, or any other messages directly to Kalshi, including but not limited to messages related to the cancellation or amendment of an Order, whether manually or via automated functionality, must ensure adequate controls are in place to prevent excessive messaging or other activity that may be deemed detrimental or disruptive to the Company.

- (b) Kalshi's trading system will keep an electronic record of all Orders to trade Contracts, and all executed Contract trades. The records kept by Kalshi will include all of the terms identified in paragraph (a) of this Rule as well as the date and time that the Transaction was completed to the nearest thousandth of a second and the member ID, for all executed Contract trades and to the nearest thousandth of a second for all Orders to trade Contracts.
- (c) A Kalshi Contract will not be void or voidable due to:
 - a. A violation by Kalshi of the provisions of sections 5 or 5h of the CEA or Part 38 of CFTC Regulations;
 - b. Any CFTC proceeding to alter or supplement a rule, term or condition under section 8a(7) of the CEA or to declare an emergency under section 8a(9) of the CEA; or
 - c. Any other proceeding where the effect of which is to alter or supplement a specific term or condition or trading rule or procedures, or requires Kalshi to adopt a specific term or condition, trading rule or procedure, or to take or refrain from taking a specific action.
- (d) A Self-Clearing Member can submit instructions, via Kalshi's interface (website, mobile application) or the API, to cancel an Order which that Self-Clearing Member has placed on the Platform if that Order has not yet been executed. Upon submission of instructions to either cancel or modify an Order that has not been executed, the Kalshi system will withdraw the Order from the order book and confirm the cancellation of the Order.

RULE 5.5 FCM CUSTOMER ORDERS, CANCELLATIONS, AND TRADING

- (a) FCM Customers may enter Orders with an FCM. FCMs must submit FCM Customer Orders electronically. An FCM Customer that enters an Order with an FCM is considered to have entered an Order on the Platform.
- (b) FCMs will submit an FCM Customer's Order to trade one or more Contracts by transmitting the Order to Kalshi in the manner required by Kalshi, that will include:
 - a. Order information;
 - b. Any other relevant identifiers, including the FCM Customer's unique account identifier; and
 - c. the FCM identifier.
- (c) The Rules set forth in paragraphs (a) and (b) of this section also apply to order cancellations instructed by FCM Customers.
- (d) Upon receipt of an Order to trade one or more Fully Collateralized Contracts from an FCM Customer, the FCM will be required to ensure that the FCM Customer has on deposit with the FCM enough funds to satisfy Kalshi's full collateralization requirement before the Order is submitted to Kalshi. The FCM will be responsible for any and all order entries confirmed for its orders accepted by Kalshi. If there is insufficient funds in the FCM Customer Account (or relevant Sub-Account, if any), the

Order will not be accepted. If the Order results in a Trade, Kalshi will instruct Clearing House to debit the collateral for the trade from the FCM Customer Account (or relevant Sub-Account, if any).

- (e) Kalshi in its discretion may instruct an FCM to place a FCM Customer Account on hold (prohibiting any order activity) or on hold-liquidation only (allowing only orders to liquidate existing positions), or may on its own place the FCM Customer's trading privileges on hold and will notify the FCM as soon as practicable afterwards. In all circumstances, the FCM will promptly notify the affected FCM Customer of the nature of and reason for the action.

RULE 5.6 IB CUSTOMER ORDERS, CANCELLATIONS, AND TRADING

- (a) IB Customers may enter Orders with an IB. Upon receiving an Order from an IB Customer, the IB must forward the Order to either the IB Customer itself, if it is a Self-Clearing Member, or its FCM Member.
- (b) IBs will submit an IB Customer's Order to trade one or more Contracts by transmitting the order to Kalshi in the manner required by Kalshi, that will include:
 - a. Order information;
 - b. Any other relevant identifiers, including the IB Customer's unique account identifier and the unique account identifier for the relevant Self-Clearing Member or FCM Member; and
 - c. the IB's identifier.
- (c) The Rules set forth in paragraphs (a) and (b) of this section also apply to order cancellations instructed by IB Customers.
- (d) Upon receipt of an Order to trade one or more Fully Collateralized Contracts from an IB Customer, the IB must ensure that the IB Customer has on deposit sufficient funds on deposit in the IB Customer's Self-Clearing Member Account (or relevant Sub-Account, if any) or its FCM's FCM Customer Account (or relevant Sub-Account, if any) to satisfy Kalshi's full collateralization requirement before the Order is submitted to Kalshi. The IB will be responsible for any and all order entries confirmed for its orders accepted by Kalshi. If there are insufficient funds in the IB Customer's Self-Clearing Member Account (or relevant Sub-Account, if any) or its FCM's FCM Customer Account (or relevant Sub-Account, if any) , the Order will not be accepted. If the Order results in a Trade, Kalshi will instruct Clearing House to debit the collateral for the trade from the IB Customer's Self-Clearing Member Account (or relevant Sub-Account, if any) or its FCM's FCM Customer Account (or relevant Sub-Account, if any) .

RULE 5.7 HANDLING OF ORDERS

- (a) All trading on Kalshi's Central Limit Order Book is conducted on a fully anonymous basis.

(b) Disclosing Orders Prohibited:

- a. It is a violation of this Rule 5.5 for any Person to disclose another Person's Order to buy or sell any Contracts except as may be requested by Kalshi or the Commission.
 - b. It is a violation of this Rule 5.5 for any Person to act or direct another Person to act based on non-public order information, however acquired.
- (c) No FCM or IB or employee thereof in possession of the FCM's FCM Customer's or IB's IB Customer's Order may enter into a transaction opposite such Order directly or indirectly.
- (d) No FCM or IB or employee thereof in possession of the FCM'S FCM Customer's or IB's IB Customer's Order shall enter an order to buy or sell in the same product for its/his own account or an account in which it/he has a direct or indirect financial interest.
- (e) Kalshi will attempt to cancel an existing Order as soon as possible. However, the Order may be executed before Kalshi is able to cancel it. If an Order has been filled in whole or in part, only that portion of the Order (if any) that has not been executed may be canceled.

RULE 5.8 DISPUTED ORDERS

- (a) If a Trader believes that an Order to trade one or more Contracts was incorrectly executed or rejected by Kalshi that Trader may request a review of the Order by providing the confirmation number for the order and stating the grounds for its disagreement with the handling of the order. FCMs may make such requests on behalf of an FCM Customer. IBs may make such a request on behalf of an IB Customer.
- (b) Upon receipt of a request for review of an Order and the accompanying confirmation number, Kalshi will review its electronic audit trail to determine if the Kalshi trading system correctly interpreted and executed the Order.
- (c) If the review described in paragraph (b) of this Rule reveals that the Kalshi trading system made a mistake, the Order will be canceled and the accounts of all Traders that were party to the Order will be returned to their state before the Trade was executed.
- (d) If the review described in paragraph (b) of this Rule reveals that the Kalshi trading system did not make a mistake, Kalshi will inform the Trader who requested the review of its determination that the Order was properly handled, the evidence supporting that determination, and that an adjustment will

not be made.

- (e) A Trader, including an FCM on behalf of its FCM Customer or IB on behalf of its IB Customer, may appeal a determination under this Rule to a Kalshi compliance officer. The Person making the appeal will be required to provide a response to the evidence described in this Rule that the order was properly handled, and the Person may provide any other information it wishes to disclose. If the appeal does not contain a response to the evidence, it will be rejected. The compliance officer will decide on the appeal no later than 10 days after its receipt, and that decision will be final.
- (f) Kalshi will document in writing all requests for review of orders received by Kalshi, the time and manner in which Kalshi reviewed its electronic audit trail in response to the request, the outcome of that review, and the action or actions taken by Kalshi in response to that review, including the results of any appeal filed under paragraph (e) of this Rule and the review conducted by the compliance officer in deciding that appeal.

RULE 5.9 PRIORITY OF ORDERS

Kalshi's central limit order book matches Orders in an open and competitive manner. Subject to the provisions of Rule 5.10(b) regarding Orders, Kalshi's trading algorithms execute all trades by matching orders according first by price and then time priority. This means that Orders and quotes entered at different prices will be executed in order of price, from best to worst, regardless of what time they were placed on the Platform, and Orders and quotes placed on the Platform at the same price will be executed in order of time, from oldest to most recent.

RULE 5.10 FILLING ORDERS TO TRADE CONTRACTS

- (a) Subject to the provisions of Rule 5.10(b) regarding Orders, the Kalshi trading system will fill all Orders to trade Contracts on an "or better" basis. To illustrate, if a Trader places an Order to buy a Contract or Contracts at a price higher than the price of the best sell offer on the Platform, the system will fill that Order to buy at the better sell offer price(s) until all available sell offers under or equal to that buy Order's limit price are filled or until that buy order is completely filled. Likewise, if a Trader submits a sell Order at a price lower than the price of the best bid, the system will fill that sell Order at the better bid price(s) until all available bids over that sell Order's limit price are filled or that sell Order is completely filled. If an Order is only partially filled, the unfilled portion of that Order will remain in the order book as a resting order at the limit price specified. Should an opposite Order at the same price or better than the original Order subsequently be placed on the system, the unfilled portion of the original Order will be executed opposite that new Order at the original Order's limit price.
- (b) For Self-Clearing Members, a written record of all of the terms of each Trade entered into on Kalshi or pursuant to the Rules will be available immediately upon execution on the Kalshi interface on the Member's activity page. Such record shall legally supersede any previous agreement and serve as a

confirmation of each such Trade. Kalshi will send confirmation messages to Self-Clearing Members upon execution of a Trade via the API, mobile application, and/or website, if such Self-Clearing Members are online at the time. However, please note that if any applicable Self-Clearing Member is not online at the time of execution, such Member will see the confirmation(s) when it next logs on to the interface. The contract type, size, execution time and execution method for each Trade will be made available on the website to all Participants after execution of the relevant Trade.

RULE 5.11 TRADE CANCELLATIONS

- (a) As a designated contract market, Kalshi has the authority to adjust Trade prices or cancel Trades when necessary to mitigate market-disrupting events caused by malfunctions on its Platform or errors in Orders submitted by Traders. However, the circumstances in which this authority may be exercised are limited.
- (b) Kalshi, in its discretion and in accordance with these Rules, may cancel or adjust a Trade that has been executed on the market at a price that is inconsistent with prevailing market conditions due to improper or erroneous orders or quotes being matched on the Platform. Likewise, there will generally be no cancellation or adjustment of an erroneous trade except in extraordinary circumstances as determined by the Company. An erroneous trade made due to Trader error, or caused by circumstances preventable in any way by a Trader, shall not constitute “extraordinary circumstances” except as described in Rule 5.11(d).
- (c) In addition to a Contract adjustment raised under Chapter 7 of these Rules, Kalshi may review a Trade based on its own analysis of the market or pursuant to a request for review by a Trader. A request for a review by a Member or other third party must be received by Kalshi no later than fifteen (15) minutes after the trade has been executed on the Platform and before Expiration of the Contract. Kalshi will promptly determine whether the Trade will be subject to review and then promptly post notice indicating that the Trade is under review.
 - (i) During the review, Kalshi will calculate a fair market value for the Contract at the time of the questioned Trade by utilizing the last value or price of the Contract at the time of the Trade and/or any other relevant market information obtained or presented to the Company.
 - (ii) Once a fair market value has been calculated, a twenty (20) cent range will be added above and below such fair market value to determine the “No Cancellation Range”.
 - (iii) If a Trade has been executed within the No Cancellation Range, the executed Trade will stand. If a Trade has not been executed within the No Cancellation Range, Kalshi shall have the authority, but not the obligation, to cancel or adjust such Trade. Once a Trade is

determined to be canceled or adjusted, Kalshi will: 1. notify all interested parties to the Trade as soon as practicable following such determination; and 2. publish its decision on the Kalshi website.

- (iv) When determining the value for a trade adjustment, Kalshi may in its discretion consider subsequent trades by the counterparties in order to ensure that the operation of this Rule is fair and equitable. Members shall be accountable to remit funds as necessary to effectuate any trade cancellation or adjustment under the Rule.
 - (v) If Kalshi cancels or adjusts a Trade, the Trader whose order resulted in the cancellation or adjustment shall pay \$3,000 to compensate Kalshi for administrative costs and any subsequent actions under this Rule (such payment to be reimbursed if Kalshi determines to cancel or adjust the trade(s) due to extraordinary circumstances wholly caused by a Platform malfunction). If the responsible Trader is not a Self-Clearing Member and fails to pay, the Member through which the Trade was placed shall be responsible for payment.
 - (vi) The decisions of Kalshi regarding fair market value of the Contract, the No Cancellation Range, the cancellation of a Trade, or any other determination hereunder shall be final and not subject to appeal.
- (d) Erroneous trades between Self-Clearing Members of Kalshi who are signatories to an active market maker agreement with Kalshi, or who have been granted access to an advanced tier of Kalshi's API, may, but need not, qualify as an "extraordinary circumstance" if, in Kalshi's sole discretion: (i) the erroneous trades were unmistakably and demonstrably made as a result of a Trader's automated trading system malfunction; (ii) such malfunction was despite reasonable safeguards, disaster recovery measures, and/or back-up capabilities; and (iii) the circumstances of any request for review do not indicate any attempt to game or manipulate the fair operation of this Rule.

RULE 5.12 INVALIDATION OF ORDERS AND TRADES UPON SUSPENSION OR REVOCATION OF FCM STATUS

- (a) Upon suspension or revocation of an FCM or IB by Kalshi, any open Order on the Market for such FCM's FCM Customers or IB's IB Customers shall be canceled by Kalshi.
- (b) Upon suspension or revocation of an FCM or IB by Kalshi, any trade subsequently executed on the Market for such FCM's FCM Customers or IB's IB Customers shall be invalid. Kalshi shall cancel any transaction pursuant to this Rule by entering a counter Transaction onto the Market at the price at which the canceled Transaction was effected.

RULE 5.13 RECORDKEEPING OF FCM CUSTOMERS' ORDERS

FCMs shall maintain an electronic record of all FCM Customers' Orders received by the FCM, and all order, trade and expiration confirmations received by the FCM regarding its FCM Customers' accounts.

RULE 5.14 RECORDKEEPING OF IB CUSTOMERS' ORDERS

IBs shall maintain an electronic record of all IB Customers' Orders received by the IB, and all order, trade and expiration confirmations received by the IB regarding its IB Customers' accounts.

RULE 5.15 VIEWING THE MARKET AND EXECUTED ORDERS

Kalshi will, at all times, allow its Members to view the current best bid and offer on the Platform, the open interest, the trade volume, as well as the depth of the order book up to the fifth level of prices. FCMs will, at all times, allow their FCM Customers to view the current best bid and offer on the Platform, the open interest, the trade volume, as well as the depth of the order book up to the fifth level of prices. IBs will, at all times, allow their IB Customers to view the current best bid and offer on the Platform, the open interest, the trade volume, as well as the depth of the order book up to the fifth level of prices.

RULE 5.16 HOURS FOR TRADING CONTRACTS

(a) Except as provided in paragraph (b), trading shall be available at all times outside of any maintenance windows, which may be announced from time to time.

(b) For Contracts whose Underlying is determined by reference to the price, level, or value of an agricultural commodity (as such term is defined in Section 1a(9) of the Commodity Exchange Act and CFTC Regulation 1.3), Kalshi may designate on its website that trading on the Platform shall be available only during the trading hours of the primary referenced market for such agricultural commodity, as specified in the relevant Contract Specifications. The Exchange shall publish the applicable trading hours for each such Contract on its website.

RULE 5.17 PROHIBITED TRANSACTIONS AND ACTIVITIES

Except as otherwise permitted by these rules:

- (a) Members are prohibited from entering Orders for Fully Collateralized Contracts on the Platform if there are insufficient funds or Contracts in the Member's Account to satisfy such Orders if they are executed. Kalshi may, in its discretion, take such action against a Member if the circumstances warrant, subject to Rule 9.2(f) and Rule 9.6.
- (b) No Person shall enter into or attempt to enter into any non-competitive Trade on the Platform, including any accommodation Trade or any Trade that has been directly or indirectly prearranged except as allowed under these Rules. For example, a Trader may not agree in advance with another

Trader that one of the Traders will enter an Order and the other Trader will attempt to trade against that Order by timing the submission of orders or otherwise.

- (c) No Person shall enter into or attempt to enter into any Trade on the Platform that:
 - a. Does not result in a change in beneficial ownership;
 - b. Is designed to unnaturally inflate trading volume;
 - c. In any way attempts to circumvent the Platform's order processing, trade ordering, trade execution systems, or otherwise to circumvent exposure of the order to open and competitive bidding on the Platform; or
 - d. That has some other illegitimate purpose.
- (d) No Person shall enter into any Trade designed or used to cause any price for a Contract other than a true and bona fide price to be reported, registered, or recorded by the Platform.
- (e) No Person shall trade in, transfer, assign, or otherwise dispose of Contracts other than as provided for in these Rules.
- (f) No Person shall enter into or agree to transfer or transfer the benefit of any position in any Contract to another person other than through a transaction executed through the Platform.
- (g) (1) No Person shall trade for a Person other than itself, unless so authorized under these Rules.

(2) No Member may deposit funds or allow funds to be deposited into their Kalshi Account unless the Member has the legal right to deposit those funds into their Kalshi Account.

(3) The Company may deposit funds into a Member's Kalshi Account, including but not limited to, in the event of an order cancellation, trade cancellation, expiration value adjustment, ledger adjustment, refund of wire transfer fees, or incentive program.
- (h) No Person shall engage in any activity that presents a risk of harm to Kalshi, its Participants, or the public.
- (i) No Person shall engage in any activity that adversely affects the integrity of the Platform or its underlying systems.
- (j) No Person subject to arbitration under these rules shall fail to abide by an arbitration decision or award handed down under Chapter 10 of these Rules.

- (k) No Person shall intentionally provide misleading, erroneous, or fraudulent information to Kalshi on a Member Application or otherwise.
- (l) No Person shall create a false appearance of a partnership, agency, employment or affiliate relationship with Kalshi and no Person shall unlawfully solicit Customer Funds for deposit at Kalshi.
- (m) No Person may operate or solicit in any capacity that may require registration with the CFTC without being properly registered.
- (n) No Person shall engage in any activity that is intended to, or has the effect of, manipulating the market in violation of Sections 6(c) and 9(a)(2) of the CEA and no Person shall engage in any other activity that would violate the CEA or the Commission's Regulations.
- (o) No FCM or IB shall enter any bids, offers or transactions on the Platform if it knows or should know that it is subject to early warning reporting requirements under Commission Regulation 1.12, is subject to a proceeding in bankruptcy or is otherwise unable to pay its obligations as they become due, without the prior written approval of Kalshi.
- (p) No FCM shall knowingly carry an account for any employee of Kalshi without Kalshi's prior written consent, nor shall any FCM or IB enter any order or effect any transactions for such an account with respect to any Kalshi contracts.
- (q) No Person shall engage in conduct or practices inconsistent with just and equitable principles of trade or conduct or practices detrimental to the best interests of the Exchange and its Participants.
- (r) No FCM or IB that receives an Order to buy or sell a Contract for execution on Kalshi shall directly or indirectly guarantee the execution of the Order or any of its terms, including quantity or price. An FCM or IB may only report to an FCM Customer or IB Customer a Trade that has been executed or reported on Kalshi.
- (s) No FCM or IB shall engage in any manipulative or disruptive trading practices prohibited by the Act or by the Commission pursuant to Commission regulation, including but not limited to any trading activity intended to accomplish a "money pass", "wash trade" or "front-running" as such terms are defined by the Commission and any regulations promulgated thereunder.
- (t) No FCM or IB shall enter an Order to buy or sell a Contract for their own account or any account in which they have a proprietary interest when the FCM Member or IB has in hand an Order to buy or sell the same Contract for a FCM Customer or IB Customer at the same price or at the market price.

- (u) No Member shall deposit funds into its Kalshi Account from an account which does not hold sufficient funds at the time of deposit, and at the time the deposit is presented by Kalshi for payment.
- (v) No Member shall make a false representation to a third party regarding any deposit made into that Member's Kalshi account which would result in a chargeback or stop payment of funds to the Member Account.
- (w) No Member shall allow its Member Account balance to become negative by any means. In the event that a Member's settlement account balance becomes negative, the Member must immediately deposit additional funds to correct the deficiency. Any Member whose settlement account carries a negative balance for 30 days or more is subject to summary termination of membership. Kalshi may, in its discretion, take such other action against a Member if the circumstances warrant, subject to Rule 9.2(f) and Rule 9.6.
- (x) No Member shall engage in conduct or practices inconsistent with just and equitable principles of trade or conduct or practices detrimental to the best interests of the Company.
- (y) If a Trader is an Insider that has access to material non-public information that is the subject of an Underlying of any Contract or that has the ability to exert any influence on the subject of an Underlying of any Contract, that Trader is prohibited from attempting to enter into any trade or entering into any trade, either directly or indirectly, on the market in such Contracts. An "Insider" means any person who has access to or is in a position to have access to material nonpublic information before such information is made publicly available. A Trader who is an employee or affiliate of a Source Agency for any Contract is prohibited from attempting to enter into any trade or entering into any trade, either directly or indirectly, on the market in such Contracts.
- (z) If a Trader is a decision maker, either directly or indirectly, or has any influence, either directly or indirectly, no matter the scale and importance of the influence, on the outcome of the Underlying (event) of any Contract, that Trader is prohibited from attempting to enter into any trade or entering into any trade, either directly or indirectly, on the market in such Contracts.

RULE 5.18 POSITION ACCOUNTABILITY

- (a) Kalshi imposes Position Accountability Levels on all Contracts as specified in each contract's Terms and Conditions, except for those contracts where Kalshi imposes a Position Limit under Rule 5.15.
- (b) Any Participant who exceeds a Position Accountability Level is required to provide to Kalshi's Compliance staff all information regarding its position that Kalshi's Compliance staff deems necessary.
- (c) A Participant whose position exceeds the position accountability level must refrain from increasing the size of their position or reduce the size of their position in a timely fashion if instructed to do so by Kalshi. If a Participant fails to reduce a position as instructed by Kalshi's Compliance staff, Kalshi shall have the authority to liquidate the applicable position to a level below the Position Accountability Level or a limit imposed on the Participant under this paragraph.
- (d) Violations of the requirements in this Rule, including the requirement to provide information to Kalshi's Compliance staff, may result in disciplinary action in accordance with Chapter 9 of these rules.

RULE 5.19 POSITION LIMITS

- (a) Kalshi may impose Position Limits on all Contracts, which will be specified in each contract's Terms and Conditions. Any Participant who exceeds a Position Limit shall be deemed in violation of this Rule. In addition, any Participant entering bids or offers, if accepted, which would cause that Participant to exceed the applicable Position Limit shall be in violation of this rule. As described in Chapter 4, a Market Maker is expressly excluded from this Rule with respect to contracts that are part of a market maker program and the market maker is subject to the obligations described in Chapter 4.

- (b) If a Trader fails to reduce any position in a manner and time as directed by Kalshi, Kalshi shall have the authority to liquidate the applicable position to a level below the defined Position Limit stipulated under the relevant Contract in Chapter 13 of these Rules.
- (c) In addition to the restrictions and requirements imposed in this Section, the first violation of a Position Limit by a Trader may result in a letter of warning to be issued by the Kalshi Compliance Department to the Trader or the initiation of proceedings in accordance with Chapter 9 of these rules.
- (d) In addition to the restrictions and requirements placed in this Section, any subsequent violation of a Position Limit by a Trader within 12 months after a violation that resulted in a letter of warning, will result in the initiation of proceedings in accordance with Chapter 9 of these Rules.
- (e) Kalshi has imposed Reportable Position Levels or Position Limits on each contract which will be communicated to FCMs. At a regular cadence, FCM Members must report the name, and any additional known KYC information requested by the Exchange, of all FCM Customers who hold any position which exceeds a Reportable Level. This information may be used by Kalshi's compliance staff to conduct surveillance.
- (f) Position limits shall apply to
 - a. All positions in accounts for which any Person by power of attorney or otherwise, directly or indirectly holds positions or controls trading; and
 - b. Positions held by two or more Persons acting pursuant to an express or implied agreement or understanding the same as if the positions were held by, or the trading of the position were done by, a single Person.
- (g) Kalshi may exempt an FCM from Position Limits set by the Exchange only to the extent necessary for the FCM's orderly carrying of its FCM Customers' accounts.
- (h) In no instance may a Trader's position exceed any applicable limit established by the CFTC.

CHAPTER 6 CLEARING AND SETTLING CONTRACT TRADES, SETTLEMENT, AND WITHDRAWAL REQUESTS

RULE 6.1 CLEARANCE

- (a) Clearing House shall serve as the clearing party to all orders matched pursuant to Chapter 5.

- (b) All Trader positions in Fully Collateralized Contracts are fully cash collateralized, and no Member can take positions in Fully Collateralized Contracts that would lead to an exposure that exceeds the funds deposited in the relevant Member Account. For Traders that are FCM Customers, the relevant Member Account is the FCM's FCM Customer Account.
- (c) Upon the successful matching of orders pursuant to Chapter 5, the Clearing House shall immediately, through the process of novation, be substituted as, and assume the position of, seller to the Trader buying and buyer to the Trader selling the relevant contract. Upon such substitution, the buying and selling Traders shall be released from their obligations to each other, and such Trader shall be deemed to have bought the contracts from or sold the contracts to Clearing House, as the case may be, and Clearing House shall have all the rights and be subject to all the liabilities of such Trader with respect to such transaction. Such substitution shall be effective in law for all purposes.
- (d) If a trade is rejected for clearing by Clearing House for any reason, such trade is void *ab initio*.
- (e) In the event of any conflict or inconsistency between these Rules and the Clearing House Rules with respect to any Participant's responsibilities or obligations under the Clearing House Rules, the Clearing House Rules shall prevail. As stated in Chapter 3 all Participants are bound by the Clearing House Rules.

RULE 6.2 SETTLING CONTRACT TRADES

Kalshi will maintain, on its system, a record of Member balances and Contracts. The Clearing House, will also maintain a Member Account, which will reflect funds used by Members to buy and sell Contracts. Kalshi may also maintain a "proprietary account," which will be credited with all fees debited from Member Accounts due to trades and Settlements.

RULE 6.3 SETTLEMENT

- (a) For a Binary Contract, when a Contract expires and has a Payout Criterion that encompasses the Expiration Value of the Underlying, such Contract will pay the Settlement Value for such Contracts (e.g. \$1.00) to the holders of long positions in such Contracts. Conversely, when a Contract expires and has a Payout Criterion that does NOT encompass the Expiration Value of the Underlying, such Contract will pay the Settlement Value for such Contracts (e.g. \$1.00) to the holders of short positions in such Contracts. The terms and conditions of a Binary Contract may include specific settlement rules that will control the settlement of that Binary Contract.
- (b) For a Scalar Contract, when a Contract expires, the Payout Criterion will determine the proportion of the Settlement Value to be distributed to holders of long and short positions. For example, if the Settlement Value is \$1.00, and the Payout Criterion dictates that "Expiration Values below 25 will pay \$0.10 to long positions and \$0.90 to short positions," and the Expiration Value is 24, then long

positionholders will receive \$0.10 and short positionholders will receive \$0.90. The terms and conditions of a Scalar Contract may include specific settlement rules that will control the settlement of that Scalar Contract.

- (c) To settle a Contract (or in anticipation of the settlement of a Contract), Kalshi has sole discretion to interpret a Contract's Terms and Conditions. If, when a Contract expires, it cannot be determined whether the Expiration Value of the Underlying is within the scope of the Payout Criterion, or if it cannot be determined from the Payout Criterion what proportion of the Settlement Value should be distributed to long and short positions, Kalshi will determine the payouts to the holders of long and short positions in such Contracts. This includes, but is not limited to, circumstances where the Underlying cannot be measured and this contingency is not explicitly addressed in the Contract terms. To determine the payouts in these circumstances, Kalshi may implement the following methodologies:
 - a. If available, Kalshi may use the last traded price of the Contract to determine the payout (ex. a contract that last traded at \$0.10 for the long side and \$0.90 for the short side would pay out \$0.10 to holders of long positions and \$0.90 to the holders of short positions).
 - b. If a last traded price is not available, or if Kalshi determines at its sole discretion that the most recent last traded price does not represent a fair settlement, the Outcome Review Committee will be responsible for making a binding determination of fair allocation. Determinations of the Outcome Review Committee are final and not subject to review.
- (d) On the Settlement Date, Kalshi will cause and/or instruct Clearing House to:
 - a. Notify all Members whether they or their FCM Customers will receive a Settlement Value (or proportion thereof) pursuant to Rule 6.3,
 - b. Settle the Contracts by debiting the settlement account in an amount no less than the appropriate Settlement Value (or proportion thereof) for such Contracts multiplied by the total number of outstanding in-the-money Contract positions and credit those funds to the applicable Member Accounts of the Traders holding the in-the-money Contract positions following any applicable holding period. For Self-Clearing Members, that will be the Self-Clearing Member's Account. For FCM Customers, that will be the FCM's FCM Customer Account.
 - c. Delete all Contracts from Members' accounts, as applicable.
- (e) If a natural person who is the primary subject of a Contract's Underlying or Payout Criterion dies prior to Expiration, Kalshi may, in its sole discretion, settle the Contract at the last traded price prior to the death. If Kalshi determines that trading activity was materially affected by the circumstances giving rise to the death, Kalshi may instead use the last traded price prior to such circumstances becoming known or reasonably anticipated by market participants. For purposes of this Rule, Kalshi may rely on an approximate time where the precise time is unknown or cannot be reasonably determined. If Kalshi determines that no last traded price represents a fair settlement, the Outcome

Review Committee shall determine the fair settlement price. Kalshi may halt or pause trading in any such Contract (with public notice on Kalshi's website or the Platform) if it reasonably believes that the death of such person has occurred, is imminent, or that circumstances giving rise to the death may be occurring. Determinations of Kalshi and the Outcome Review Committee under this Rule are final and not subject to review.

- (f) Before Settlement, Kalshi may, at its sole discretion initiate the Market Outcome Review Process as provided in Rule 7.1.
- (g) Kalshi will distribute notification electronically at Settlement to all Members who hold the relevant Contract, and to FCMs with regard to FCM Customers who hold the relevant Contract.

RULE 6.4 SETTLING MEMBER WITHDRAWAL REQUESTS

- (a) Within one business day of when a Member requests to withdraw funds from its Kalshi account, Kalshi will transmit such request to Clearing House in electronic batch mode transmission. Clearing House will then cause and/or instruct its settlement bank to process the request and distribute funds to the account at the U.S. Financial Institution or Foreign Bank in the case of a non-United States resident Member who does not have an account at a US Financial Institution, registered with Kalshi by the Member (unless the Member has unsatisfied outstanding obligations on Kalshi, in which case such balances may be retained as necessary to satisfy such obligations or until the Member otherwise satisfies such obligations, or unless such transfer would otherwise violate applicable law or regulation as determined by either Kalshi or Clearing House in its sole discretion). The Member should refer to Kalshi's website under the Fee Schedule for all fees and costs associated with withdrawal of funds from the Member's Kalshi account. The processing of a Member withdrawal request may be suspended or denied if circumstances, whether present or imminent, would make the request impossible or impractical to fulfill, cause a potential risk of harm to Kalshi, its Members, or Clearing House, violate applicable law or regulation as determined by either Kalshi or Clearing House in its sole discretion, or if, either Kalshi or Clearing House determine in its sole discretion that the funds are relevant to a pending investigation.
- (b) Members are responsible for providing accurate account numbers to allow Kalshi and Clearing House to effect transfers to Members.

CHAPTER 7 MARKET OUTCOME REVIEW AND ADJUSTMENTS NECESSITATED BY MATERIAL CHANGES IN THE UNDERLYING

RULE 7.1 THE MARKET OUTCOME REVIEW PROCESS

- (a) Before Settlement, Kalshi may initiate the Market Outcome Review Process, at its sole discretion and by taking into account several factors including any circumstances that may have a material impact on the reliability or transparency of the Underlying related to the Contract. Under this process, the Outcome Review Committee will determine the final Market Outcome. Settlement will occur on the date that the Outcome Review Committee reaches a determination on the Contract's final Market Outcome. If the Market Outcome Review Process is initiated, Kalshi will post on its website that the Contract's Market Outcome is under review.
- (b) The Outcome Review Committee shall review all relevant evidence and determine a final Market Outcome within a 24 hour period after the Outcome Review Process is initiated.
- (c) The Outcome Review Committee has full discretion in resolving the Market Outcome Review Process. The determinations made by the Outcome Review Committee are final.

RULE 7.2 CONTRACT MODIFICATIONS

- (a) If any event or any circumstance which may have a material impact on the reliability or transparency of a Contract's Source Agency or the Underlying related to the Contract arises, including but not limited to if a Contract's Source Agency is unavailable or undergoes significant modifications, Kalshi retains the authority to designate a new Source Agency and Underlying for that Contract and to change any associated contract specifications after the first day of trading. That new Source Agency and Underlying would be objective and verifiable. Kalshi would announce any such decision on its website.
- (b) If any circumstance arises which would prevent the Expiration Value from being determined accurately at Expiration, including but not limited to the rescheduling or cancellation of an event whose outcome governs a Contract's Underlying, or delayed data from a source, Kalshi shall have the power to adjust the Expiration Date and the timing of Expiration of the Contract, which will be announced on its website.
- (c) If an Expiration Value that is included in the Payout Criterion of a Contract occurs prior to the Expiration Date of a Contract, Kalshi may adjust the Expiration Date and the timing of Expiration to be earlier, which will be announced on its website.
- (d) If the Exchange modifies the Expiration Date in accordance with this Rule, the Contract's last trading date and time are adjusted accordingly to occur no later than Expiration.

CHAPTER 8 INVESTMENT OF PARTICIPANT FUNDS

RULE 8.1 INVESTMENT OF PARTICIPANT FUNDS

- (a) Participant funds on deposit with Clearing House will be held in the manner set forth in Clearing House Rulebook.
- (b) Participant funds may be invested by Clearing House to the extent allowed in the Clearing House Rulebook.
- (c) Klear may pay interest to Members' accounts at a floating rate to be determined by Clearing House on funds in Participant's accounts in excess of an amount to be determined by Clearing House. For FCM Customer's funds, the distribution of such interest, if any, will be governed by the agreements between the clearinghouse and the FCM, and between the FCM and the FCM Customer.
- (d) Clearing House will retain all profit from investment of Participant funds not paid to Members.

CHAPTER 9 DISCIPLINE AND RULE ENFORCEMENT

RULE 9.1 MONITORING THE MARKET

- (a) Kalshi's trading system will record and store for a period of not less than 5 years in a searchable, read-only database a record of all data entered into the Kalshi trading system, including the Participant's identity and the information in Rule 5.4. Such records shall be maintained in a readily available manner during the first two years. Kalshi shall conduct market surveillance and trade practice surveillance using this data with programs designed to alert Kalshi when potentially unusual trading activity takes place. Kalshi, through the compliance department, will initiate review and, where appropriate, investigate such unusual trading activity. The compliance department will also investigate any time it has other reason to believe that inappropriate activity of any sort is taking place on the Kalshi Platform or its website.
- (b) All Persons within Kalshi's jurisdiction are subject to this Chapter 9 if they are alleged to have violated, to have aided and abetted a violation, to be violating, or to be about to violate, any Rule or any provision of Applicable Law for which Kalshi possesses disciplinary jurisdiction.

RULE 9.2 INVESTIGATIONS, HEARINGS, AND APPEALS

- (a) The Compliance Department shall investigate unusual trading activity or other activity that the Compliance Department has reasonable cause to believe could constitute a violation of these Rules, or upon the receipt of a request from Commission staff. Kalshi's Disciplinary Panel adjudicates findings

by the compliance department that are disputed by Participants. The Disciplinary Panel and the Compliance Department may not communicate regarding the merits of a matter brought before the hearing officer without informing the Participant who is the subject of the communication of its substance and allowing the Participant an opportunity to respond. The Compliance Department and Disciplinary Panel may compel testimony, subpoena documents, and require statements under oath from any Participant. Disciplinary Panel, Compliance Department staff and other employees or agents of Kalshi working under their supervision, may not be a Participant or trade, directly or indirectly, in any commodity interest traded on or subject to the rules of any registered contract market. Members of the Disciplinary Panel shall be individuals that do not have a direct interest (financial, personal or otherwise) in the matter, but in no event may be members of the Compliance Department or any Persons involved in adjudicating any other stage of the same proceeding. Likewise, members of the Disciplinary Panel may not operate under the direction or control of any person or persons with trading privileges on the Platform and may not include persons whose interests conflict with their enforcement duties.

- (b) The Compliance Department shall investigate unusual trading activity or other activity that the Compliance Department has reasonable cause to believe could constitute a violation of these Rules, and shall enforce the Rules and prosecute possible Rule violations within Kalshi's disciplinary jurisdiction. The Compliance Department will endeavor to complete any investigation within twelve months, unless there exists significant reason to extend it beyond such period. Upon the conclusion of a material investigation, the Compliance Department will draft a document detailing the facts that led to the opening of the investigation, the facts that were found during the investigation, and the Compliance Department's analysis and conclusion. If the Compliance Department concludes that there is reasonable cause to believe a Participant has materially violated Kalshi's Rules or other applicable statutes or regulations, the Compliance Department will submit to the Participant whose activity is the subject of the investigation a notice of charges, by electronic mail to that Participant's last known email address, that will include:
- a. The reason the investigation was initiated;
 - b. The charges or a summary of the charges, including the rule or rules alleged to have been violated;
 - c. The response, if any, or a summary of the response;
 - d. A summary of the investigation conducted;
 - e. Findings of fact and the Compliance Department's conclusions as to each charge, including which of these Rules the Participant or its authorized representative violated, if any;
 - f. A summary of the Participant's, and any relevant authorized representative's, disciplinary history, if any;
 - g. The period within which a hearing on the charges may be requested; and
 - h. The penalty, if any, proposed by the Company.

- (c) If the subject of any charge under this Chapter is an FCM Customer, the Compliance Department shall obtain the FCM Customer's email address from the FCM.
- (d) If the subject of any charge under this Chapter is an IB Customer, the Compliance Department shall obtain the IB Customer's email address from the IB.
- (e) If the Compliance Department initiates an investigation in which any Affiliate of Kalshi is a subject, the Chief Compliance Officer shall notify the Commission's Division of Market Oversight of that fact. At the conclusion of any such investigation, the Chief Compliance Officer shall provide the Commission's Division of Market Oversight with a copy of the documentation specified in paragraph (b) of this Rule.
- (f) The Participant whose activity is the subject of the investigation may contest the Compliance Department's findings by forwarding a response to those findings by electronic mail to the Compliance Department within 15 days. The Participant has a right to examine all relevant books, documents, or other evidence in the possession or under the control of Kalshi, except that Kalshi may withhold from inspection any documents that:
 - a. Are privileged or that constitute attorney work product;
 - b. Were prepared by any employee of Kalshi but which will not be offered in evidence in the disciplinary proceedings;
 - c. May disclose a technique or guideline used in examinations, investigations, or enforcement proceedings; or
 - d. Disclose the identity of a confidential source.

The Participant's response must contain a detailed response to the findings and conclusions as to each charge and any other information the Participant thinks is relevant. The outcome of settlement negotiations between the Participant and the Compliance Department may include, but is not limited to, a letter of warning.

- (g) The Participant whose activity is the subject of the investigation may request to enter settlement negotiations by forwarding a response to the Compliance Department's findings by electronic mail to the Compliance Department within 15 days. The Participant has a right to examine all relevant books, documents, or other evidence in the possession or under the control of Kalshi, except that Kalshi may withhold from inspection any documents that:
 - a. Are privileged or that constitute attorney work product;
 - b. Were prepared by any employee of Kalshi but which will not be offered in evidence in the disciplinary proceedings;

- c. May disclose a technique or guideline used in examinations, investigations, or enforcement proceedings; or
 - d. Disclose the identity of a confidential source. The Participant's response must contain a response to each charge and the Participant may provide any other information the Participant thinks is relevant. The outcome of settlement negotiations between the Participant and the Compliance Department may include, but is not limited to, a letter of warning.
- (h) If the findings of the Compliance Department are not contested by the Participant, Kalshi will deem those findings admitted by the Participant, the findings of fact and the Compliance Department's conclusions as to each charge shall become final and the Compliance Department shall impose the penalty (if any) proposed by the Compliance Department. The Participant will be notified of the imposition of any penalty and sent a copy of the notice of disciplinary action by electronic mail to that Participant's last known email address.
- (i) If the findings of the Compliance Department are contested, the Compliance Department's report and the Participant's response will be submitted to the Disciplinary Panel. The hearing officer may not have a financial, personal or other direct interest in the matter under consideration.
- a. The Disciplinary Panel will conduct a hearing with the Compliance Department and the Participant within 20 business days of receipt of the Participant's response contesting the compliance officer's finding and/or proposed sanction which the parties may attend telephonically. However, the Participant is entitled to appear personally at the hearing, to cross-examine any persons appearing as witnesses at the hearing, and to call witnesses and to present such evidence as may be relevant to the charges.
 - b. The formal rules of evidence shall not apply, but the hearing must be fair. The Compliance Department shall present its case on all charges and sanctions that are the subject of the hearing.
 - c. Prior to the hearing, the parties may (but need not) submit proposed findings, briefs, and exhibits (including affidavits), and during the hearing the parties may present witnesses. Persons within Kalshi's jurisdiction who are called as witnesses must participate in the hearing and produce evidence, as requested. Kalshi shall likewise make reasonable efforts to secure the presence of all other persons called as witnesses whose testimony would be relevant to the matter at hand.
 - d. Within 20 business days after that hearing, the hearing officer will issue findings, which will be delivered to the Participant by electronic mail to the Participant's last known email address. The findings of the hearing officer will contain the following information:
 - 1. A summary of the charges and any answer to the charges;
 - 2. A summary of the evidence received;
 - 3. Findings and conclusions with respect to each charge;
 - 4. An indication of each specific rule that the member was found to have violated;

5. A declaration of any penalty to be imposed on the Participant as the result of the findings and conclusions;
 6. The effective date and duration of that penalty; and
 7. A statement that the Participant has the right to appeal any adverse decision by the panel to the Appeals Committee and must do so within 15 days.
- e. The panel's decision shall be final on the date it is signed by the hearing Disciplinary Panel. The hearing officer's decision shall become the final decision of Kalshi after the appeal period has lapsed.
 - f. The hearing will be recorded, and all information submitted by the parties (including the Compliance Department's report and the Participant's response) as well as the recording of the hearing, will be preserved by the Compliance Department, along with the hearing officer's findings, as the record of the proceedings (the "hearing record"). For the avoidance of doubt, if the Participant has requested a hearing, a copy of the hearing shall be made and become a part of the record of the proceeding. The record shall be one that is capable of being accurately transcribed; however, it need not be transcribed unless the transcript is requested by Commission staff or the Participant, the decision is appealed pursuant to the Rules of Kalshi, or is reviewed by the Commission pursuant to section 8c of the Act. In all other instances a summary record of a hearing is permitted.
- (j) Either the Participant or the Compliance Department may appeal the decision of the panel within 15 days by filing an appeal by electronic mail with the Appeals Committee and forwarding a copy to the other parties to the appeal. Any penalties will be stayed pending appeal unless the hearing officer determines that a stay pending appeal would likely be detrimental to the Company, other Participants, or the public. The Appeals Committee will review the hearing record and any information submitted by the Compliance Department and the Participant on appeal and issue its decision, which shall be final on the date of such issuance. The Participant shall be notified of the decision by electronic mail to the Participant's last known email address. The hearing record, any information submitted on appeal, and the Appeals Committee's decision shall be preserved as the record on appeal. The decision will contain the information listed in paragraph (f) of this Rule, outside of (f)(5), as well as:
- a. A statement that any person aggrieved by the action may have a right to appeal the action pursuant to Part 9 of the Commission's Regulations, within 30 days of service; and
 - b. A statement that any person aggrieved by the action may petition the Commission for a stay pursuant to Part 9 of the Commission's Regulations, within 10 days of service.
- (k) No Kalshi officer or employee shall interfere with or attempt to influence the process or resolution of any disciplinary action, except to the extent provided under these Rules with respect to a proceeding in which a Person is a member of the relevant Disciplinary Panel or Appeals Committee.

RULE 9.3 SETTLEMENT OF INVESTIGATIONS

- (a) Kalshi may enter into settlements with any Participant who is the subject of an investigation. The Participant may initiate a settlement offer. Any settlement offer shall be forwarded to a Kalshi disciplinary panel with a recommendation by the Compliance Department that the proposed settlement be accepted, rejected, or modified. A settlement offer may be withdrawn at any time before it is accepted by the hearing officer.
- (b) The panel may accept or reject a proposed settlement, and the decision of the relevant panel will be final. In addition, the panel may propose a modification to the proposed settlement for consideration by the Participant or its authorized representative and the Compliance Department.
- (c) Any settlement under this Rule will be written and will state:
 - a. The charges or a summary of the charges;
 - b. The response, if any, or a summary of the response;
 - c. A summary of the investigation conducted;
 - d. Findings and conclusions as to each charge, including each act the person charged was found to have committed or omitted, be committing or omitting, or be about to commit or omit, and each of these Rules that such act or practice violated, is violating, or is about to violate; and
 - e. Any penalty imposed and the penalty's effective date.
- (d) Failed settlement negotiations, or withdrawn settlement offers, will not prejudice a Member or otherwise affect subsequent procedures in the rule enforcement process.

RULE 9.4 NOTICE AND PUBLICATION OF DISCIPLINARY ACTION

- (a) Kalshi will provide to the Person charged, notice of the disciplinary action, appeal determination, or settlement in which sanctions are imposed, no later than two business days after it becomes final in accordance with the provisions of Commission Regulation 38.710.
- (b) Kalshi will make public notice of the disciplinary action by posting on its website, in accordance with Commission Regulation 9.13, the information required by Commission Regulation 9.11. The disciplinary action will be considered final on the date the notice of the disciplinary action is published on the Kalshi website.

RULE 9.5 PENALTIES

- (a) As a result of a disciplinary proceeding or as part of a settlement, Kalshi may impose one or more of the following penalties, commensurate with the violation committed, in consideration of any relevant

disciplinary history, and including full restitution where Participant harm is identified and where such restitution can be reasonably determined:

- (b) A letter of warning, censure, or reprimand (although no more than one such letter may be issued to the same Person found to have committed the same rule violation within a rolling twelve-month period);
- (c) A fine or penalty fee for each violation of any Rule or Applicable Law sufficient to deter recidivism, which Kalshi may cause and/or instruct Clearing House to deduct from the relevant Member Account balance (which, for FCM Customers, is the FCM's FCM Customer Account. In such an event, the FCM may debit the FCM Customer's account with the FCM a corresponding amount);
- (d) Disgorgement of profits that resulted from the violation of any Rule, plus the cost of damages to any unoffending counterparties, which Kalshi may cause and/or instruct Clearing House to deduct from the relevant Member Account balance (which, for FCM Customers, is the FCM's FCM Customer Account. In such an event, the FCM may debit the FCM Customer's account with the FCM a corresponding amount);
- (e) Suspension of Trading or Member status or privileges for a specified period, including partial suspension of such privileges (for example, suspension of trading privileges in particular types of Contracts or of placement of certain types of orders);
- (f) Revocation of Trading or Member status or privileges, including partial revocation of such privileges (for example, revocation of trading privileges in particular types of Contracts or of placement of certain types of orders); and
- (g) Interest, at the prime rate, as reported by the Wall Street Journal as of the date the amount becomes due, on any outstanding account balance, monetary fine, penalty fee, or disgorgement amount owed, compounded monthly and calculated from the date when the amount was first due and payable.

RULE 9.6 SUMMARY SUSPENSION

- (a) Kalshi may summarily suspend or restrict Trading or Member privileges if the Chief Compliance Officer believes suspension or restriction is necessary to protect the markets, Kalshi, the public, or other Members.
- (b) Whenever practicable Kalshi will notify the Traders or Members whose privileges are to be summarily suspended by electronic mail before the action is taken. If prior notice is not practicable, the Member shall be served with notice by electronic mail at the earliest opportunity. This notice shall:

- a. State the action taken or to be taken;
- b. Briefly state the reasons for the action;
- c. State the time and date when the action became or becomes effective and its duration; and

For FCM Customers, notice to the FCM Customer will be deemed given by sending notice to the FCM. For IB Customers, notice to the IB Customer will be deemed given by sending notice to the IB.

- (c) The Traders or Member whose privileges are to be summarily suspended shall be given an opportunity for appeal under the procedures outlined in Rule 9.2(f) of these Rules. The decision affirming, modifying, or reversing the summary suspension shall be furnished by electronic mail to the suspended Trader or Member and the Commission no later than one business day after it is issued. The decision shall contain:

For FCM Customers, notice to the FCM Customer will be deemed given by sending notice to the FCM. For IB Customers, notice to the IB Customer will be deemed given by sending notice to the IB.

RULE 9.7 REPRESENTATION BY COUNSEL

A Trader or Member who is a subject of any proceedings under this Chapter has the right to retain and be represented by counsel or any other representative of its choosing in all succeeding stages of the disciplinary process, except any member of Kalshi's Board of Directors or Disciplinary Panel, any employee of Kalshi, or any person substantially related to the underlying investigations, such as material witness or respondent.

RULE 9.8 REPORTING VIOLATIONS TO THE COMMISSION

- (a) Whenever Kalshi suspends, expels, fines or otherwise disciplines or denies any Person access to the Platform, Kalshi will make the disclosures required by Commission Regulations.
- (b) Kalshi will submit to the Commission a schedule listing all those Company Rule violations which constitute disciplinary offenses as defined in paragraph (a)(6)(i) of CFTC Regulation 1.63 and, to the extent necessary to reflect revisions, will submit an amended schedule within thirty days of the end of each calendar year. Kalshi will maintain the schedule required by this section and post the schedule on Kalshi's website.

CHAPTER 10 - ARBITRATION

RULE 10.1 GENERAL

- (a) If so elected by a Participant, any Claim by the Participant against a Participant (including any related counterclaims) shall be settled by arbitration in accordance with this Chapter 10.
- (b) A Claim brought pursuant to this Rule 10.1 shall be adjudicated by qualified arbitrators appointed in accordance with Rule 10.5 below.
- (c) Persons to a dispute resolved in accordance with this Chapter 10 shall have the right to retain and be represented by legal counsel or any other representation of its choosing, except any Director or a member of the Disciplinary Panel or person substantially related to the underlying investigations, such as material witnesses or respondents during such proceedings. Persons to a dispute resolved in accordance with this Chapter 10 shall be responsible for their own costs, expenses and attorneys' fees incurred in connection with the dispute. Notwithstanding the foregoing, the Person that prevails shall be entitled to recover from the other party all costs, expenses and reasonable attorneys' fees incurred in any arbitration arising out of or relating to this Chapter 10, and in any legal action or administrative proceeding to enforce any arbitration award or relief.

- (d) Any award or relief granted by the arbitrators hereunder shall be final and binding on the parties hereto and may be enforced by any court of competent jurisdiction.
- (e) For purposes of this Chapter 10, the term “Claim” means any dispute which arises out of any Kalshi Contract, which dispute does not require for adjudication the presence of essential witnesses or third parties over whom Kalshi does not have jurisdiction or who are otherwise not available. The term “Claim” does not include disputes arising from underlying commodity transactions which are not a part of, or directly connected with, any Kalshi Contract.

RULE 10.2 FAIR AND EQUITABLE ARBITRATION PROCEDURES

- (a) A Participant desiring to initiate an arbitration as provided in Rule 10.1 shall file a notice of arbitration (a “Notice”) within two years from the time the Claim arose. The Notice must set forth the name and address of the party or parties against whom the Claim is being asserted, the nature and substance of the Claim, the relief requested, and the factual and legal bases alleged to underlie such relief.
- (b) The Notice shall be accompanied by a non-refundable check payable to Kalshi in payment of the arbitration fee. The amount of the fee shall be (i) \$500 for a Claim requesting relief totaling less than \$5,000 in the aggregate or (ii) \$1,000 for a Claim requesting relief totaling \$5,000 or more in the aggregate.
- (c) Upon receipt, Kalshi shall promptly convene an arbitration panel in accordance with Rule 10.5. Kalshi shall deliver a copy of the Notice to each other party and to the arbitration panel.
- (d) Within 20 days following the delivery of the Notice, each respondent shall file a written response (a “Response”) with Kalshi, with a copy to the claimant, setting forth its or his position and any counterclaims, as applicable. If the Response sets forth one or more counterclaims, the claimant shall file within 20 days a written reply to such counterclaims with the Company, with a copy to the claimant.
- (e) Once each party has had an opportunity to respond to the Claim and all counterclaims, the arbitration panel shall promptly schedule a hearing. Notwithstanding, Claims requesting relief totaling less than \$5,000 in the aggregate may, in the interests of efficiency and economy, be resolved without hearing.
- (f) The chairman of the arbitration panel shall preside over the hearing and shall make such determinations on the relevancy and procedure as will promote a fair and expeditious adjudication.
- (g) The arbitration panel shall consider all relevant, probative testimony and documents submitted by the parties. The arbitration panel shall not be bound by the formal rules of evidence.

- (h) The final decision of the panel shall be by majority vote of the arbitrators, as applicable.
- (i) Within 60 days after the termination of the hearing, the arbitration panel shall render its final decision in writing and deliver a copy thereof either in person or by first-class mail to each of the parties. The arbitration panel may grant any remedy or relief which it deems just and equitable, including, without limitation, the awarding of interest and the arbitration fee.
- (j) The final decision of the arbitration panel shall not be subject to appeal within Kalshi.
- (k) No verbatim record shall be made of the proceedings, unless requested by a party who shall bear the cost of such record.

RULE 10.3 WITHDRAWAL OF ARBITRATION CLAIM

Any Notice may be withdrawn at any time before the Response is filed in accordance with this Chapter 10. If a Response has been filed, any withdrawal shall require consent of the party against which the Claim is asserted.

RULE 10.4 PENALTIES

- (a) Any failure on the part of a Participant to arbitrate a dispute subject to this Chapter 10, or the commencement by any such Participant of a suit in any court prior to arbitrating a case that is required to be arbitrated pursuant to this Chapter 10, violates these Rules and shall subject such Participant to disciplinary proceedings pursuant to Chapter 9.

- (b) Members of the arbitration panel shall be individuals that do not have a direct interest (financial, personal or otherwise) in the matter.

- (c) Any member of the arbitration panel may disqualify himself for any reason he deems appropriate.

Each Participant further acknowledges and agrees that the Proprietary Information is the exclusive, valuable and confidential property of Kalshi. Each Participant acknowledges and agrees that it shall not reverse engineer, copy, bug fix, correct, update, transfer, reproduce, republish, broadcast, create derivative works based on or otherwise modify, in any manner, all or any part of Kalshi or the Proprietary Information. Each Participant further agrees to keep the

Proprietary Information confidential and not to transfer, rent, lease, copy, loan, sell or distribute, directly or indirectly, all or any portion of the Company or any Proprietary Information.

Without limiting the generality of the foregoing, Participants may not distribute, sell or retransmit market data exchange to any third party.

- (e) Kalshi shall not condition access to the Company upon a Participant's consent to the use of Proprietary Data and Personal Information for business or marketing purposes. Proprietary Data and Personal Information may not be used by the Company for business and marketing purposes unless the Participant has clearly consented to the use of Proprietary Data and Personal Information in such manner. RULE 11.3 LIMITATION OF LIABILITY

- (a) EACH PARTICIPANT OF KALSHI AGREES THAT NEITHER KALSHI NOR ITS OFFICERS, DIRECTORS, AGENTS, EMPLOYEES, AND/OR SOFTWARE, HARDWARE, AND SERVICE PROVIDERS (COLLECTIVELY REFERRED TO AS “KALSHI PARTIES”) SHALL HAVE ANY RESPONSIBILITY FOR COMPLIANCE BY PARTICIPANT WITH ANY LAW OR REGULATION GOVERNING PARTICIPANT’S CONDUCT.  - (c) Kalshi shall submit to the Commission a schedule listing all those rule violations which constitute disciplinary offenses and to the extent necessary to reflect revisions shall submit an amended schedule within 30 days of the end of each calendar year. Kalshi must maintain and keep current the schedule required by this section, post the schedule in a public place designed to provide notice to members and otherwise ensure its availability to the general public.
 - (d) Kalshi shall submit to the Commission within 30 days of the end of each calendar year a certified list of any persons who have been removed from its disciplinary committees, arbitration panels, oversight panels or governing board pursuant to the requirements of this regulation during the prior year.
 - (e) Whenever Kalshi finds by final decision that a person has committed a disciplinary offense and such finding makes such person ineligible to serve on that self-regulatory organization's disciplinary committees, arbitration panels, oversight panels or governing board, Kalshi shall inform the Commission of that finding and the length of the ineligibility in any notice it is required to provide to the Commission pursuant to either section 17(h)(1) of the Act or Commission Regulation 9.11.

RULE 12.3 VOTING BY INTERESTED MEMBERS OF SELF-REGULATORY ORGANIZATION GOVERNING BOARDS AND VARIOUS COMMITTEES (ADAPTED FROM COMMISSION REGULATION 1.69)

- (a) Kalshi shall maintain in effect Rules that have been submitted to the Commission pursuant to Section 5c(c) of the Act and Part 40 of the Commission Regulations to address the avoidance of conflicts of interest in the execution of its self-regulatory functions. Such Rules provide for the following:
 - a. Relationship with named party in interest —

1. Nature of relationship. A member of Kalshi's governing board, disciplinary committee or oversight panel must abstain from such body's deliberations and voting on any matter involving a named party in interest where such member:
 - (A) Is a named party in interest;
 - (B) Is an employer, employee, or fellow employee of a named party in interest;
 - (C) Is associated with a named party in interest through a "broker association" as defined in Commission Regulation 156.1;
 - (D) Has any other significant, ongoing business relationship with a named party in interest, not including relationships limited to executing futures or option transactions opposite of each other or to clearing futures or option transactions through the same clearing member; or
 - (E) Has a family relationship with a named party in interest.
2. Disclosure of relationship. Prior to the consideration of any matter involving a named party in interest, each member of a Kalshi governing board, disciplinary committee or oversight panel must disclose to the appropriate Kalshi staff whether he or she has one of the relationships listed in paragraph (a)(1)(i) of this Rule with a named party in interest.
3. Procedure for determination. Kalshi must establish procedures for determining whether any member of its governing board, disciplinary committees or oversight committees is subject to a conflicts restriction in any matter involving a named party in interest. Taking into consideration the exigency of the committee action, such determinations should be based upon:
 - b. Financial interest in a significant action —
 1. Nature of interest. A member of a Kalshi governing board, disciplinary committee or oversight panel must abstain from such body's deliberations and voting on any significant action if the member knowingly has a direct and substantial financial interest in the result of the vote based upon either exchange or non-exchange positions that could reasonably be expected to be affected by the action.
 2. Disclosure of interest. Prior to the consideration of any significant action, each member of a Kalshi governing board, disciplinary committee or oversight panel must disclose to the appropriate Kalshi staff the position information referred to in paragraph (a)(2)(iii) of this Rule that is known to him or her. This requirement does not apply to members who choose to abstain from deliberations and voting on the subject of significant action.
 3. Procedure for determination. Kalshi must establish procedures for determining whether any member of its governing board, disciplinary committees or oversight committees is subject to a conflict restriction under this section in any significant action. Such determination must include a review of:
 - (A) Gross positions held at Kalshi in the member's personal accounts or "controlled accounts," as defined in Commission Regulation 1.3(j);
 - (B) Gross positions held at Kalshi in proprietary accounts, as defined in Commission Regulation 1.17(b)(3), at the member's affiliated firm;

- (C) Gross positions held at Kalshi in accounts in which the member is a principal, as defined in Commission Regulation 3.1(a);
 - (D) Net positions held at Kalshi in “customer” accounts, as defined in Commission Regulation 1.17(b)(2), at the member’s affiliated firm; and
 - (E) Any other types of positions, whether maintained at Kalshi or elsewhere, held in the member’s personal accounts or the proprietary accounts of the member’s affiliated firm that the self-regulatory organization reasonably expects could be affected by the significant action.
- 4. Bases for determination. Taking into consideration the exigency of the significant action, such determinations should be based upon:
 - (A) The most recent large trader reports and clearing records available to Kalshi;
 - (B) Information provided by the member with respect to positions pursuant to paragraph (a)(2)(ii) of this Rule; and
 - (C) Any other source of information that is held by and reasonably available to Kalshi.
- c. Participation in deliberations.
 - 1. Under the Rules required by this section, a Kalshi governing board, disciplinary committee or oversight panel may permit a member to participate in deliberations prior to a vote on a significant action for which he or she otherwise would be required to abstain, pursuant to paragraph (a)(2) of this Rule, if such participation would be consistent with the public interest and the member recuses himself or herself from voting on such action.
 - 2. In making a determination as to whether to permit a member to participate in deliberations on a significant action for which he or she otherwise would be required to abstain, the deliberating body shall consider the following factors:
 - (A) Whether the member’s participation in deliberations is necessary for the deliberating body to achieve a quorum in the matter; and
 - (B) Whether the member has unique or special expertise, knowledge or experience in the matter under consideration.
 - 3. Prior to any determination pursuant to paragraph (a)(3)(i) of this Rule, the deliberating body must fully consider the position information which is the basis for the member’s direct and substantial financial interest in the result of a vote on a significant action pursuant to paragraph (a)(2) of this Rule.
- d. Documentation of determination. Kalshi’s governing boards, disciplinary committees, and oversight panels must reflect in their minutes or otherwise document that the conflicts determination procedures required by this section have been followed. Such records also must include:
 - 1. The names of all members who attended the meeting in person or who otherwise were present by electronic means;
 - 2. The name of any member who voluntarily recused himself or herself or was required to abstain from deliberations and/or voting on a matter and the reason for the recusal or abstention, if stated; and

3. Information on the position information that was reviewed for each member.
